

ORDINANCE 13-09

AN ORDINANCE OF THE CITY OF WHITE HOUSE, TENNESSEE, AMENDING THE MUNICIPAL CODE TITLE 18, CHAPTER 2 SEWER USE ORDINANCE.

WHEREAS, Title 18, Chapter 2, Section 204 of the White House Municipal Code requires all costs and expenses incident to the installation and connection to the public sewer system be borne by the user, and

WHEREAS, the Board of Mayor and Aldermen have determined that it is in the best interest of the residents of the city to allow the city to, under certain circumstances, pay all or some of these costs;

NOW, THEREFORE, BE IT ORDAINED by the Board of Mayor and Aldermen of the City of White House, Tennessee that:

18-204. Building sewers and connections.

(4) All costs and expenses incident to the installation and connection of the building sewer shall be borne by the user; provided, that upon a determination by the Board of Mayor and Aldermen that such is in the best interests of the City and where such does not violate the public purpose doctrine, then the city may bear some or all of these costs. The user shall indemnify the city from any loss or damage that may directly or indirectly be occasioned by the installation of the building sewer. Connection to public sewers shall be made only by a plumber, contractor, or individual dual licensed and authorized in writing by the director. Such authorization will in no way waive any requirement of this ordinance, nor is such approval by the city to be construed as a guarantee of performance for said plumber, contractor, or individual.
