ADMINISTRATION

On behalf of the White House Police Department, I am pleased to present to you the 2010 Annual Report of the White House Police Department. This annual report is a historical document for the police department to be kept as a permanent record. This report reflects the hard work, outstanding accomplishments, and the professional service provided by the men and women of this department.

In 2010, the dispatchers recorded 11,065 calls for service. This was a 10% reduction over the previous year. Serious Crimes reported increased by 12%. There were 866 serious crimes reported. Serious crime is reported in three categories: Crimes against persons which increased by 14%, Crimes against property which increased by 21%, and crimes against

society which had a decrease of 5%. Minor Crimes reported seen a decrease of 18%. Overall we had a 2% decrease in crimes reported.

In 2010, we applied for several grants. One grant was to the Tennessee Governor's Highway Safety Office for overtime for officers to conduct increased traffic enforcement. We were unsuccessful in receiving this grant. We were however successful in receiving a grant in the amount of \$5,000 from the Governor's Highway Safety Office. With this grant we were able to purchase a Digital in-car camera for our new patrol vehicle. We also purchased equipment to enhance our abilities to investigate traffic crashes. We received a grant from the U.S. Department of Justice to pay for 50% of two bullet proof vests. And we received a grant in the amount of \$1000.00 from Walmart to help us with our crime prevention programs.

TRAINING

The White House Police Department employees are well trained to provide exceptional police services to the community. Proper training provides for greater productivity, effectiveness and unity of purpose. Proper training also enhances our ability to act decisively and correctly in our duties and responsibilities. Generally, we try to have officers trained as instructors in specialized areas so they can train our officers.

All of our full-time police officers are required to be certified by the State of Tennessee Peace Officer Standards and Training Commission. To obtain certification, officers must complete the basic course that includes a minimum of 400 hours of training. In addition, all officers must successfully complete forty (40) hours of in-service training each year.

All dispatchers are required to be certified by the Tennessee Bureau of Investigations to operate computers connected to the state and federal National Crime Information Center data base. This training consists of forty (40) hours. Dispatchers are also required to take a basic forty (40) hour dispatcher course and to complete eight (8) hours of dispatching instruction every two years.

All officers and dispatchers are required to participate in a *Field Training Program* designed to last eight to fourteen weeks depending on the employee's skills and ability. The new employee is with a *Field Training Officer* (FTO) this entire time while performance and knowledge is evaluated daily. At the end of each week, a summary of strengths and weaknesses are documented and signed-off by the new officer, the FTO, the supervisor-in-charge of the *Field Training Program* and the Chief of Police.

	2012	2011	2010	2009	2008
Training Hours			2,127	1,218	2,412

POLICE DEPARTMENT FLEET

The police department ended the year with eighteen motor vehicles: eleven for uniform patrol; one for K-9 patrol; one for Community Relations (D.A.R.E.); one for the School Resource Officer; one for the Animal Control Officer; and, three unmarked for investigations and administration. We also have three bicycles for bike patrol and one golf cart for park patrol and special events.

We purchased a 2011 Ford Police Interceptor seen in photo above. We purchased a 2010 Ford F-150 and animal carrier topper for Animal Control Services. Through a drug seizure we are able to use a 2004 Infiniti G35 for investigations until January 2015. Three vehicles were very aged, needed expensive repairs, and were sold as salvage on GovDeals.com.

COMMUNICATIONS CENTER

Dispatchers – Misty Ranney & Patti Aric

Dispatcher – Patti Aric

The Communications Center of the White House Police Department is the backbone of our public safety internal operations. The (5) five full time dispatchers are responsible for answering emergency and non-emergency phone calls, data entry, and the dispatching of police, fire, emergency medical services, and public utilities. There were a total of 11,065 calls received, processed, and dispatched by the Communications Center during 2010. Many of the calls were related to criminal activity and traffic related incidents, and would require additional, detailed information found in incident reports. The table below shows in detail the breakdown of calls during the 12 month period.

COMMUNITY POLICING

Drug Abuse Resistance Education

D.A.R.E. (Drug Abuse Resistance Education) Program is universally viewed as the most effective model of community policing. The White House Police Department's program, started in one school in 1995, grew to three schools in 2010. The ten week curriculum was taught by Captain Mingledorff this year at two public schools; White House Heritage Elementary and White House Middle School, and one private school; Christian Community School. All totaled, 345 5th grade age students graduated from the program.

Captain StreetSmart

Captain StreetSmart is dedicated to the prevention of unintentional childhood injury. The program also promotes changes in attitudes, behaviors, and the environment in order to prevent accidental injury to children. Captain J. Mingledorff, creator of the program, taught in 4 schools, and 4 daycare facilities, Scout Groups and pre-schools. During 2010, he taught 24 classes to an estimated 380 kindergarten through 5th grade-age students. Classes taught included: seat belt and child restraint device usage, bicycle/ helmet safety, stranger danger, and computer online safety.

Police Explorers Post #406

White House Police Department's Police Explorer's, Post #406, currently has fourteen active members that are between the ages of 14-20. The post is a member of the Tennessee Law Enforcement Explorer's Association. During 2010, they actively participated in Safety Day, Relay for Life, the Chamber of Commerce's Summerfest Carnival and all other city park related functions. They meet every other Thursday at the Police Department. During 2010, they received classes on The History of Law Enforcement, Officer Safety, Police Officer's Code of Conduct/Ethical Behavior, Basic Criminal Law, Weapons Safety, Community Policing, Defensive Tactics, Domestic Violence Investigation, and Crime Scene Investigations. Officer Joel Brisson and Officer Erin Martin are the Post's Advisors.

Wheels In Motion

The White House Rotary Club Wheels in Motion project awards a bicycle monthly to elementary school students who exemplify the character of good citizens. Students are nominated and selected by their teachers and school administrators. The Police Department partners with the Rotary Club to deliver the message of safety by presenting a new helmet to go with the bicycle award. During 2009, four schools were visited; R.F. Woodall Elementary, H.B. Williams Elementary, White House Christian Academy and Hope and Heritage Academy. Over an eight month period, 22 bicycles and 22 helmets were presented to the award recipients, ranging in age from 6 to 11.

Safe Kids Coalition

Safe Kids Coalition: A neighborhood safety program that targets individual neighborhoods within the city. This program allowed us to target parents and children alike, which opens lines of communication between citizens and police. Officers provide parents with most recent child safety laws and regulations, and then teach safety to child participants through lecture and demonstration, then apply what they learn through practical application. During 2010, we visited 3 subdivisions, 4 daycare facilities and 4 church youth groups. All totaled, 100 children, ages 3-12, and were taught the basics of child passenger safety and bicycle safety.

10TH Public Safety Awareness Day

Public Safety Awareness Day (Safety Day) 2010 represented the best year ever in the 11 year history of the event. Held annually on Labor Day, Safety Day represents a unified, long term solution to the prevention of childhood related injuries. It also gives local law enforcement and fire/rescue personnel an opportunity to meet the public, hand out safety literature, and display their equipment. This year over 500 citizens participated in the event. 170 children participated in the bicycle rodeo, earning a safety certificate, for the completion of the course. 5 bicycles and helmets were given away as prizes during the day long event.

2010 Citizen's Police Academy

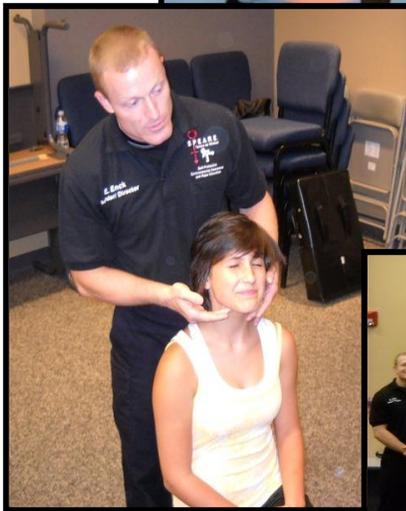

**Citizen's Police Academy 2010
White House, Tennessee**

The White House Police Department has found education to be the most effective means of gaining understanding and support from the community. The Citizen's Police Academy offers citizen insight into how police officers perform their duties and how the department serves the community. In 2010, 30 citizens attended and graduated from the 10th annual class. The purpose of the Citizen's Police Academy is to foster better communication between citizens and police through education. The Academy will create a nucleus of well-informed citizens who possess greater insight into police practices, services and crime prevention. Graduates of the Academy can share their knowledge and experiences with the community as the opportunity arises. Everyone benefits from enhancing citizen understanding of the role and function of their police department.

S.P.E.A.R.E

S.P.E.A.R.E. (Self Protection Environmental Awareness and Rape Education) was started by Sgt. Eric Enck in 2009. He, along with the assistance of other qualified helpers, has instructed 350 women (ages 11 -80) in Self Defense Education throughout the community this year. In 2010, Sgt. Enck taught 13 classes ranging from churches, schools, youth groups, etc.

Safety Belt Check Point

Officer Erinn Martin and Officer Joel Brisson

The White House Police Department participated in a national program called “Click It or Ticket” to encourage safety belt use. The goal of this campaign is to save lives, while reminding the motorists of the importance of using safety belts. Officer Joel Brisson and Officer Erinn Martin held Safety Belt Checkpoints at White House Heritage High School and White House High School during the release time of each school. Students wearing their safety belt received a coupon for either Free French Fries or a Free Ice Cream from McDonalds.

H.B Williams Elementary Career Day

The White House Police Department has participated in the H. B. Williams Annual Career Day for the last several years. Career Day is held in an effort to help Kindergarten through 5th grade students uncover possible career choices. Chief Herman, Captain Jim Ring II and Detective Sergeant Pat Brady participated in this year's Career Day for the Police Department.

School Resource Officer

School Resource Officer, Darryl Manlove

The White House Police Department, in cooperation with the Robertson County Sheriff's Department, provides a School Resource Officer for the White House Heritage School. This program is designed to allocate an officer to be at the school during school hours and present at all after hours school functions. The officer provides security for school grounds and is a constant deterrent against criminal activity from not only inside the school but also from threats that may attempt to enter the school building. The officer is responsible for insuring that the school is secure and is a safe learning environment for the students and faculty. The officer also speaks to classes and at Parent/Teacher functions when needed. He also attends all home game sporting events and participates in club activities within the school. This officer is responsible for the safety of 830 students and 53 teachers and administrative personnel on a daily basis. The current School Resource Officer is Darryl Manlove.

CRIMINAL INVESTIGATIONS

Detective Sergeant, Pat Brady

The Criminal Investigations Division is staffed by a Detective Sergeant. The Detective Sergeant is responsible for the management of all criminal cases. This includes case assignment and case clearance. There are many ways in which cases are cleared. The most notable are: clearances when an arrest is made, any unfounded case, the case is referred to another agency, any case where prosecution is declined and/or the victim refuses to cooperate, or after exhausting all leads, we are unable to develop a suspect. Although all cases are not cleared, there is numerous times that through the investigation of a crime that occurred in another jurisdiction, a local crime may be cleared also. The Criminal Investigation's Unit works closely with the Tennessee Bureau of Investigation (TBI), the Federal Bureau of Investigation (FBI), and Homeland Security, as well as being an active member of local Child Protective Investigative Teams (CPIT) and Child Abuse Response Teams (CART). The Detective Sergeant also participates in criminal intelligence meetings with all surrounding agencies, ensuring that vital information on criminal activity is shared.

K-9 UNIT

Officer Jason Ghee and K9, Nike.

Sergeant Jim Ring II and K9, Rascal.

Rascal retired from the WHPD in June 2010.

The White House Police Department's K-9 Unit consists of Sergeant Jim Ring and his K-9 partner, Rascal, and Officer Jason Ghee and his K-9 partner, Nike. Both K-9's are trained in illegal drug detection. Our K-9's are prepared to be called out at any time when requested. K-9 Unit call-outs consist of vehicle sniffs, locker and parking lot sniffs, area checks, article checks, and building checks.

In addition to call-outs, our K-9 Unit is active in community service requests such as demonstrations at community events, classrooms, etc. Our K-9s love to demonstrate their special skills and fascinate people of all ages with their remarkable ability to follow instruction.

Emergency Response Team

Officer David Segerson

Officer David Segerson and Officer Joel Brisson

Corporal David Segerson and Officer Joel Brisson are assigned to the Sumner County Emergency Response Team. We provide uniforms and some special equipment. They train monthly and are always on standby for call outs to emergency situations, felony warrant service, hostage situations, etc.

ANIMAL CONTROL

Officer Don Black, Animal Control Officer

We provide animal control services for the City of White House. Our field services include nuisance animals, dogs running at large, vicious animals, bite cases, and cruelty and/or neglect investigations. We also assist owners in locating their lost pets.

Uniform Patrol

Police personnel generate incident reports when a complaint is of such a nature that it requires detailed information. Such reports include crime reports, information reports on suspicious circumstances, driving under the influence of drugs and/or alcohol, etc. We, as a local law enforcement agency, participate in reporting crimes that are committed in our respective community to the FBI through the State of Tennessee's Incident Based Reporting System (TIBRS). The Tennessee Bureau of Investigation compiles and publishes the data in *Crime in Tennessee*, an annual publication. The Federal Bureau of Investigation (FBI) annually publishes *Crime in the United States* which details crime committed in all cities with a population of 10,000 or more residents. The information reported is obtained from local law enforcement agencies. Although the data we submit is very detailed on all crimes committed, the following tables give us a snapshot of the crimes that were committed in the City of White House:

	2010	2009	2008	2007	2006

RESERVE PROGRAM

Officer Lou Meadows & Officer Jake Kennedy talking to Captain Jim Ring.

**Reserve Officer of the Year
Chris Davis**

Officer Michael Jarrett is helping with S.P.E.A.R.E.

The purpose of the White House Police Department Reserve Officer Program is to allow citizens to participate in Law Enforcement functions on a voluntary basis, to promote a spirit of good citizenship, and to continue the development of strong Police-Community relations. In addition, this program provides assistance to the Police Department in the enforcement of law and the maintenance of peace. It serves to establish a trained emergency response team that can be called upon to act in time of need. It is a valuable resource in which full time Officers can be hired. We began 2009 with five Reservists. One resigned in July, and Officer Patrick Bagwell was hired as a full-time Officer in December. He was sent to the Tennessee Law Enforcement Training Academy. The total volunteer hours by Reservist in 2010 were 922.95. The Reservist completed 48 hours of training in 2010.

TRAFFIC CONTROL

Traffic Control is our most visible work product. You see the marked police cars patrolling the City. You see them when they have their overhead lights on at a traffic stop or traffic crash. Sometimes you see them in your rearview mirror and you quickly check your speedometer and make sure to make a complete stop at stop signs. We try to bring order through traffic control devices and enforcement in what otherwise would be complete chaos on the street. Can you imagine an intersection with no stop signs or traffic lights?

With a major interstate and three state routes, the City of White House receives more vehicles traveling through or stopping to visit than many cities the same size. We take pride in the fact that our officers are highly trained in conducting professional, courteous and safe traffic stops for both the motoring public and the officers.

Traffic Crashes

Although we would consider crash reports as incident reports, we have kept them separated for this report. The State of Tennessee requires us to submit a report that has been developed by them. We refer to this as the *Tennessee Uniform Traffic Crash Report*. The State has specific guidelines as to what is a reportable crash and what is not reportable.

We are not required to report minor crashes with no injuries and damage less than \$400.00.

The following is a breakdown of crash reports that were reported to the State.

	2010	2009	2008	2007	2006
Traffic Crash Reports	295	247	292	235	271
Injury Crashes	57	33	62	65	40
Fatalities	0	1	0	0	0

Crashes increased by 16% this year. Corporal Carney, Officer Ghee and Officer Brisson are actively involved with the Governor's Highway Safety Office. Together they keep us involved in traffic safety campaigns such as "Click it or Ticket" and "Booze it and Lose it!" These campaigns are designed to reduce traffic crashes and the severity of injury.

Traffic Enforcement Activity

The following table depicts our efforts in the enforcement of traffic code violations. We cite under many State and Local codes. Most traffic violators are cited into the City of White House Traffic Court, but in some cases we cite them into the General Session's Court in the county of violation.

Enforcement of Traffic Laws	2010	2009	2008	2007	2006

Written Warnings	912	507	447	886	862
Verbal Warnings	2,626	3,597			

EXPENDITURES

As in any organization personnel costs can consume a large portion of the budget. We are no exception. Expenditures for all police and communications accounts for the fiscal year 2009-2010 decreased by \$54,223 from 2008-2009.
